

ST ANDREW'S, SUTTON PARK

PRIORITIES FOR 2017

- **To engage more with the community.**

This means trying to get to know people, find out what they want from a church and organise more events which might appeal to them.

- **To look at the appropriateness of our services.**

This means considering the days and times of services, as well as the content ie language, music, format.

ST PETER'S, WAWNE

PRIORITIES FOR 2017

- **To support each other more.**

This means caring for each other in the church, and looking for ways we can help each other, in general and in tasks for the church.

- **To work out how to live out our faith in the community.**

This means members' being involved in village and community organisations and events, and planning church events in church and elsewhere to attract the community.
